BIOGRAPHY

Jonathan has a profound interest in building an inclusive community and exemplifying change through youth. By serving as ASB President and Vice President of Santa Clara High School (SCHS), Jonathan oversees and facilitates student body activities on campus. As a part of this role, he has developed a new Drive system that consists of online organizational tools for club leaders.

Some of his proudest accomplishments as Co-President for various school clubs include proposing the first Acts of Kindness Week for the SCHS community and raising more than \$1,000 dollars for Interact District 5170's International Service project (Venezuelan Youth Crisis).

Outside of school, Jonathan has the pleasure in actively participating in the complex and raw realm of Urban and Industry dance. Performing in small gigs and charity shows on the side, Jonathan has also been able to dance for the Warriors in the Warriors Junior Jam Squad and the Oakland Justin Bieber Purpose Tour. He is currently in the widely-known dance company Immabeast, and is spending his last year in Syndikidz, a San Jose youth competition team.
