## BIOGRAPHY

In addition to her work with the 49ers STEM Leadership Institute, Jamie is involved in her schools Associated Student Body. Jamie has previously served on class council, a five member team that leads their respective class in class activities and plans school-wide events. Jamie then served as sophomore class secretary/treasurer and junior class president. She currently serves as community service coordinator, overseeing all school-wide community service events such as canned food and blood drives.

Jamie is also involved in Interact, an international organization divided into districts around the world that fosters leadership through community service. From Oakland to Santa Cruz, District 5170 is the most prolific in the world. She currently serves as the Area 11 Area Director on District 5170 Council, which is a team of 27 individuals that foster leadership and guides the district in reaching service hour and monetary goals. With over 7000 Interactors divided into 13 areas, the district has donated millions of dollars and volunteered hundreds of thousands of service hours.
