

JAZMYN C.

Creative, Outgoing, Personable

"All the world needs is **more**
patience and kindness."

- Michelle Chang

BIOGRAPHY

Jazmyn is currently a senior at Santa Clara High School and has been a part of the Stem Leadership Institute for 5 years. In high school, she has been an active member within the sports community, being a part of the water polo, softball, and track and field teams. Over the past five years she has spent her free time participating in STEM related activities, such as Maker Faire, Tech Challenge, FLL Robotics, and the Synopsys Science Fair. She is also passionate about helping others, creating, and travelling. When she's not spending time within SLI or playing sports with SCHS, Jazmyn can be found either mentoring middle school or travelling with family.
