## BIOGRAPHY

Taylor has been a member of 49ers STEM Leadership Institute (SLI) for six years participating in events such as First Tech Challenge (FTC) and Synopsys science fair. For Project Pay-It-Forward, she is a member of Team Re-ACT based on improving the recycling system.

At school, Taylor has been a part of the Girls Achieving In Non-Traditional Subjects (GAINS) club for six years. She was Co-President during her junior and senior year. In addition, Taylor was a part of the United Nations International Children's Emergency Fund (UNICEF) club for four years, ending her senior year as Vice President. She was also a member of the California Scholarship Federation (CSF) club for four years.

Aside from academics, Taylor Wong is a dedicated volunteer at Second Harvest of Silicon Valley for over three years. After achieving Super Sorter status, she trained volunteers to sort and package produce.

Taylor participated and won Honorable Mention for the "Bridging the Cultural Gaps Essay: Dear Mom, Dear Dad" Student Essay Contest sponsored by the Chinese American Museum in Washington D.C. (CAMDC) and Calvin J. Li Memorial Foundation. In her spare time, Taylor enjoys baking and crocheting for her friends and family.
