

Nadine N.

Empathetic, Ambitious, Dedicated

"I've come to believe that each of us has a **personal calling** that's as unique as a fingerprint - and that the best way to succeed is to discover what you love and then find a way to **offer it to others** in the form of service, working hard, and also allowing the energy of the universe to lead you."

-Oprah Winfrey

BIOGRAPHY

Nadine is a passionate student that has been in SLI for 6 years. Outside of rigorous academics, Nadine dedicates most of her time as a leader in her extracurriculars. As the ASB Vice President and president of three clubs (Interact, FASA, and Pre-Med Club), as well as the Area 11 Director for the Interact District 5170 Council (in charge of 9 Interact clubs/schools across 5 cities), she has raised tens of thousands of dollars for her school, waste systems in Thailand, and for funding medical and cultural club workshops. Passionate in public health, she was a Broadstreet Institute Intern for abortion data, and produced a public health campaign dedicated to the promotion of hepatitis B testing under Stanford University's Asian Liver Center. Moreover, she loves spending time at her jobs as a lifeguard, city and private swim instructor, and a cook at Chicken Meets Rice.

Whether it was asking for a microscope for her 8th birthday or winning multiple awards in Tech Challenge, FTC, Synopsys Science Fairs, and qualifying for CSEF, Nadine has fostered her love to create and found a passion in neurobiology, wishing to pursue the medical field and create a better future for underprivileged youth.
