

Alonzo B.

Passionate, Dedicated, Kind

"Be steady and well-ordered in your life so that you can be **fierce and original** in your work."

– Gustave Flaubert

BIOGRAPHY

Alonzo Bradford is one of the graduating seniors of the S.T.E.M program. He is Known by his peers and teachers as a student full of ambitions and Alonzo has used his aspirations as a driving force in his learning and academics. He aims to become a Microbiologist as an adult and has achieved numerous things such as an internship with the Hines family foundation as well as acquiring work experience from Psycho Donuts. Alonzo hopes that he can reach the stars in the future and will use his passion and skills from stem to help him fund his hobby of Magic the Gathering as well as step out into the difficult field of microbiology.
